Dear Sir:

This is in response to the Notice of Allowance dated April 29, 2004, in the above-identified application.

On the Notice, the title of the application is listed as "Method of Charging Electret Filter Media" but the correct title is "Electret Filter Media And Filtering Masks That Contain Electret Filter Media." Applicants request that the title to be printed on the issued patent read as the original, unamended title: "Electret Filter Media And Filtering Masks That Contain Electret Filter Media."

Respectfully submitted,
